WELCOME

Welcome to Kidz Like Us, where being different isn't something to overcome. It's something to **discover**.

Kidz Like Us Saturday Club is a small, inclusive club for young people aged 10 -15 years old who might not always feel they fit into traditional clubs and activities.

Our young people may be neurodivergent, experience social or emotional challenges, find larger groups difficult or simply need somewhere offering a little more understanding, flexibility and space to be themselves.

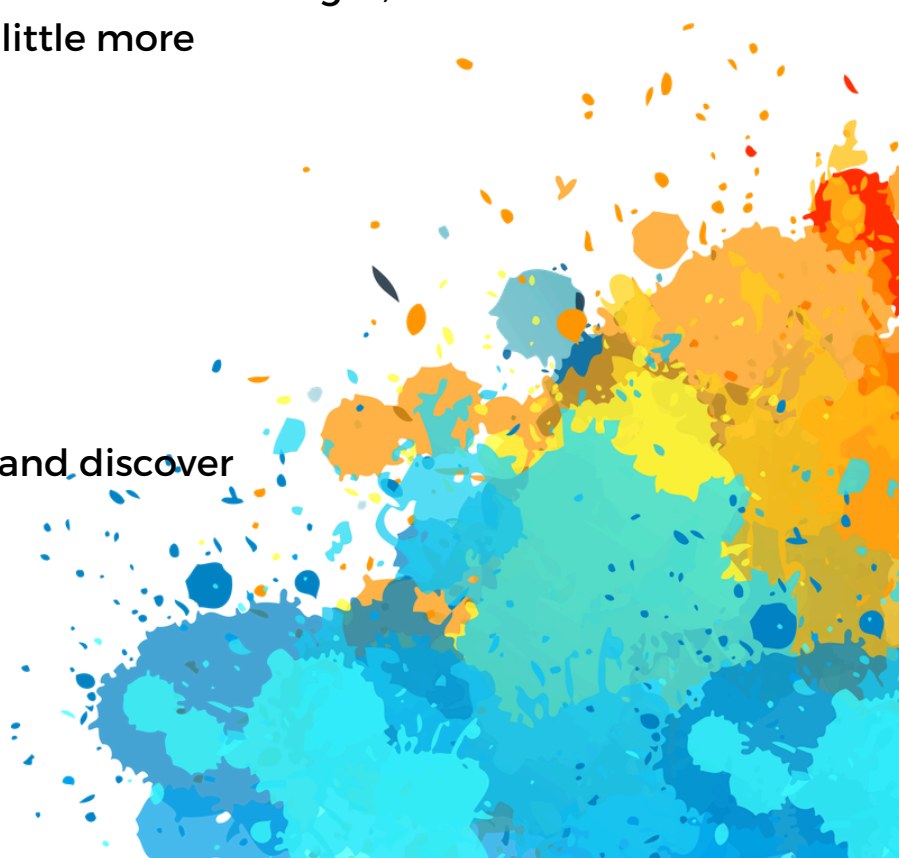

NOT SPECIALIST PROVISION

NOT A TRADITIONAL YOUTH CLUB.

SOMETHING IN BETWEEN.

A supportive place to meet others, try new things, develop skills and discover interests through practical, hands-on experiences.

**NO NEED TO FIT A LABEL.
JUST COME AS YOU ARE.**

A PLACE TO BELONG

Saturday Club might be a good fit for a young person who....

- ✓ wants to meet others but sometimes social situations difficult.
- ✓ finds large, busy clubs overwhelming
- ✓ benefits from smaller groups
- ✓ has interests they would love the opportunity to explore
- ✓ learns best through practical, hands-on experiences
- ✓ would like to build confidence and independence
- ✓ doesn't feel they quite fit into what is already available

Every young person is different.

That's why we talk with families before joining, so we can understand your young person's strengths, interests and support needs and make sure Kidz Like Us is the right environment for them.
